

Alliance Seeks to Ease Shift to Senior Living and Long-Term Care; LTC Financial Partners and Alternatives for Seniors Join Forces

KIRKLAND, Wash., Jan. 9, 2013 (SEND2PRESS NEWSWIRE) – Today LTC Financial Partners, LLC (LTCFP) announces an alliance with Alternatives for Seniors, the leading senior housing and services online directory.

“Together our two companies will ease the transition to senior living, which usually involves a host of stressful lifestyle and financial adjustments,” says Cameron Truesdell, CEO of LTCFP.

Alternatives for Seniors will offer information for comparing and choosing among senior living facilities, nursing centers, and home care services, and will facilitate contact with the appropriate communities/services as needed.

LTCFP will offer help in planning for long-term care through long-term care insurance and alternative instruments such as reverse mortgages, annuities, and life policies with LTC riders.

“We are delighted to be working with LTCFP,” says Anita Kremer, President of Alternatives for Seniors. “We hope to be able to greatly assist LTCFP’s clients with senior living and care information, whether for themselves or a family member. With modern families often spread across great distances, it is difficult to explore options for elderly relatives and stressful to decide on appropriate measures for care.”

Alternates for Seniors provides free personal assistance and resources to families to help them understand options and make the search for the appropriate alternative for their needs as easy as possible.
