

# Allstar Coaches Gives Jennifer Aniston the Ride of a Lifetime in 'We're the Millers'

FORT LAUDERDALE, Fla., Aug. 6, 2013 (SEND2PRESS NEWSWIRE) – Allstar Coaches, the leading provider of luxury RV rentals in the United States, is no stranger to the entertainment industry. Most recently, it partnered with Warner Bros. to provide RV rental assistance for its new blockbuster movie, "We're the Millers" starring Jennifer Aniston and Jason Sudeikis.

"Working with Warner Bros. has proved to be such a positive experience," Rob Tischler, CEO of Allstar Coaches, says. "Everyone has been so professional and we're thrilled that they chose us to assist with their RV rental needs."

Prior to working with Warner Bros., Allstar's RV rentals have also made appearances on the wildly popular television shows, "The Bachelor," and "Extreme Home Makeover."

"We've worked with just about every television network and movie studio out there," Tischler says. "RVs are becoming more and more mainstream which is why they're popping up more and more on the big screen – and little screens too."

For example, "The Great American Road Trip" is a reality TV show where families are given RVs to use throughout the competition. They drive from place to place to compete in various challenges.

So, as the entertainment industry continues to hit the road in recreational vehicles, Allstar Coaches continues to provide top-notch quality Florida RV rentals, California RV rentals and many more.
