Almost Heaven Saunas was established in 1978 and has seen rapid growth in recent years. The company manufactures thousands of saunas each year with 2018 sales volume exceeding \$10 million. The company employs approximately 40 people and has a sales office and product showroom in Holland, Michigan and manufacturing facilities in Renick, West Virginia.

“The acquisition of Almost Heaven Saunas is a significant step in developing our business in North America. Almost Heaven Saunas has been Harvia’s client since 2013. The company’s growth has been strong in the last few years, which

combined with the work done with our other clients and distributors has resulted in positive sales development for Harvia in North America,” says Tapio Pajuharju, CEO of Harvia.

According to Almost Heaven Sauna president, Rick Mouw, “This acquisition is a wonderful opportunity for Almost Heaven Saunas. To be a part of the Harvia Group aligns us with a truly great global sauna company. We can continue our growth with the added resources and expertise that Harvia provides, while at the same time supporting and servicing Harvia’s other distribution channels in North America.”

The transaction is expected to be complete by January 2019.
