"We are elated to be named to NMP's annual America's Top Mortgage Employers list this year," said Avi Naider, chairman and chief executive officer of ARMCO. "As we continue to innovate and grow, it is the dedication, employee collaboration, and attention to our clients that is a major contributing factor to ARMCO's success. Being named to NMP's list speaks volumes about our extremely devoted staff and team culture."

The annual award rankings are based on the magazine's proprietary Mortgage Company Employer Score (MECS). The MECS weighs and scores various areas in a company to arrive at the list each year. A polling of NMP subscribers is used with the following criteria: corporate culture; compensation; day-to-day management; internal communications; marketing; training; resources; long-

term strategy; ingenuity; speed; technology; and industry participation.

NMP is one of the mortgage industry's leading go-to sources for extensive news coverage for mortgages, origination, compliance, secondary marketing, servicing, settlement, technology, trending, and more.
