Read on for more details.

Send2Press® Newswire

25-percent Discounted Bundles and Single Products:

It's again around the time for all the students and teachers to return back to school, and stores are busy preparing the new round of big promotions. This year, Fengtao Software has many very eye-catching deals to offer, and all the new purchasers can save big for buying their wanted products, bundle packages or single products.

Among the offers, some can save users 25-percent, including the lifetime versions of the DVD copy software, DVD decrypting tool, Blu-ray decrypting tool, and also the best-seller of all time – DVDFab All-In-One Lifetime Gift – which covers 12 pieces of the lifetime products from the company and can meet the all-inclusive demands of users concerning copying, ripping, converting and creating DVDs & Blu-rays, converting videos between mainstream formats ready for popular portable and mobile devices, removing some cumbersome protections from DVDs, Blu-rays and the media contents from Apple. The discount only works before September 11.

Save 35-percent on Select Hot-Selling Bundles:

Apart from the above-mentioned all-in-one lifetime bundle and single products that are offered at 25-percent off, there are still some selected bundle packages being offered at 35-percent off, which are the lifetime versions of DVD Creator + Blu-ray Creator, which does the job of making professional level home DVDs & Blu-rays from users' personal videos of any formats, with the beautifully designed DVD & Blu-ray menu templates; the Ripper Suite Pro, which consists of the DVD ripper software, the [Blu-ray ripper software](#) and the video converter software, capable of converting DVDs, Blu-rays and other videos to portable and mobile device ready videos, such as MP4, MKV, AVI, etc, with many flexible settings and stunning fast speed; and the Copy Suite Pro, which packs the DVD copy software, Blu-ray copy software and the Blu-ray to DVD converter software that are professional tools for users to backup DVDs, Blu-rays or convert Blu-rays to standard DVD format, respectively.
