Well-behaved dogs are welcome. The grand opening event will also feature an official ribbon cutting at 1:30 p.m.; all are welcome.

Staffed by pet-loving Best Friends Pet Hotel employees, the new custom-built 9,000 sq. ft. facility is located at Two Technology Drive in Tyngsborough and features overnight standard and luxury suites for boarding dogs, doggy day camp, dog training, and grooming services starting March 19, 2019.

Not to be outdone by the dogs, cat owners will enjoy boarding in the warm and inviting Kitty City, featuring natural lighting, a giant fish tank, and bird feeder viewing areas to keep cats stimulated and happy. All pets' special needs are considered, and each guest is monitored closely. All pets are required to provide proof of vaccinations.

One of 30 locations, including one at Walt Disney World, Best Friends Pet Hotel is an all-breed pet care provider with a warm, friendly, clean and comfortable atmosphere. The outside and inside play areas designed with the latest advances in materials and safety.

"For nearly 25 years, we've been treating Merrimack Valley dogs and cats like family... that's over 175 in dog years," said Center Manager Becky Powers. "With this brand new Best Friends Pet Hotel in Tyngsborough, we will continue to serve our pet parents and guest to continue to be leader of the pack. We are proud to provide the absolute best and safest pet care in the area, from boarding, Doggy Day Camp, grooming and even training services."

Day and overnight guests will enjoy all the "bells and dog whistles" in Tyngsborough:

- Suites and luxury suites featuring the latest in design, sound mitigation and cleanliness.
- Luxury Suites include Pet Chatz so parents can Facetime and even

distribute treats through a mobile application.

- Suites access natural light with windows/skylights, and are designed to minimize stress.
- The highest ratio of play space to suite space in the region, and dogs are divided by temperament and size.
- Outdoor parks with water and a splash park feature (in season) and K9 grass with antimicrobial technology.
- Indoor play yards equipped with rubberized flooring to minimize stress and sound, and reduce play-based injuries. The indoor play yards feature a seamless, comfortable flooring system with a bacteria-resistant surface for pet safety.
- Webcams for pet parent viewing and emailed “report cards” and photos home.
- Brand new grooming salon outfitted with all of the bells and whistles including custom built comfort bathtubs, a styling room with an outdoor pet relief area and a new express 30-minute grooming service.
- State of the art DrainVac cleaning systems – the most advanced biosecurity system available – and used by over 90 percent of veterinary universities, using up to 40 percent less water.

The details make the difference at Best Friends Pet Hotel. The company offers full transparency, great communication with pet parents, the latest advances in safety, and a caring staff that loves your pet as much as they love their own.
