“We are honored to welcome Bill to the RMA team,” said Chris Brown, RMA Principal and co-founder. “He has a stellar reputation and is an active and respected member of the commercial real estate market in Central Florida. With RMA’s continued expansion in this geographic area, Bill’s expertise will enable us to better serve the real estate needs of our clients throughout Florida.”

RMA repositions cities and targeted areas as a place to do business. Through careful analysis and individualized specific strategies, the RMA team helps municipalities increase their tax base, create job opportunities, attract project development and fill vacant store fronts. Dehlinger will work closely

with these clients, and RMA's private clients, buying and selling properties on their behalf, to attract commercial development. RMA has been very successful with its projects throughout Central Florida, including Sumter County, Mount Dora, Oviedo, Titusville, Deltona and Winter Park.

RMA recently completed a contract with the City of Deltona to provide a strategic 5-year economic development plan for a Business Park and Manufacturing Related Recruitment. That assignment resulted in the creation of Portland Industrial Park at Deltona which Dehlinger will be involved with going forward.

"RMA brings dynamic results to every city, county, CRA and development project they become involved with," said Dehlinger. "I am proud to join their team and to utilize my experience to help this region expand its reputation as a top location for real estate development and business attraction."

With sixteen years of commercial real estate experience, Bill has a proven record of success in Central Florida. His consulting areas of expertise include general brokerage (Land, Industrial, Office, Retail), site selection, 1031 Exchanges, Cost Segregation, and NNN. He is an active participant in the commercial real estate market in the region through his membership in NAR, CCIM, and Orlando Regional Commercial Council. He currently serves as CCIM Florida Chapter VP of Operations. Prior to becoming involved with commercial real estate, Bill traveled internationally for IBM and Hewlett Packard providing training sessions for their top sales executives. He has been a guest speaker and has received awards from several colleges throughout the area. Bill served on the Board of Directors for Oviedo-Winter Springs Regional Chamber of Commerce, Habitat for Humanity in Seminole County and Rotary Club of Winter Springs.
