

BioAdaptives, Inc. Announces Return to Fully Reporting and Appointment of President

LAS VEGAS, Nev., Sept. 11, 2019 (SEND2PRESS NEWSWIRE) – BioAdaptives, Inc. (OTC BB: BDPT) announced the Company’s return to a fully-reporting entity, and the appointment of Mr. Robert W. Ellis as its new President, reporting to Dr. Edward E. Jacobs, Jr.

Send2Press® Newswire

Dr. Jacobs, Director and CEO said, “We are very pleased to again be an SEC fully-reporting Company, even though when it ceased reporting on EDGAR during 2017 and 2018, the Company continued to release full disclosure data via OTC Market’s alternate reporting format.”

Dr. Jacobs added, “We are also pleased to announce the appointment of Mr. Robert W Ellis to our Management team. With his additional, it allows me the opportunity to spend more time on the strategic development of BioAdaptives, and to continue scientific research and advancement of a broad line of wellness products for people and animals.”

“Mr. Ellis brings more than forty years of business management experience to

this new assignment. He has held senior financial and operating management positions in aerospace and telecommunication public corporations, as well as private companies in both mature technology business and development-stage entities," Dr. Jacobs further added.

Mr. Ellis stated, "I am pleased to join BioAdaptives in this position and look forward to leading the Company as it emerges further from its development stage and matures into a growing successful manufacturing and distribution company. We expect to expand BioAdaptives operation through acquisitions and subsidiary entities in its current natural wellness sphere and in related fields in order to add to the Company's bottom line."
