

# BNP Paribas Brings SmartStops.net Risk Management Solutions to The Italian Market

SAN FRANCISCO, Calif., Nov. 18, 2015 (SEND2PRESS NEWSWIRE) – SmartStops ([SmartStops.net](http://SmartStops.net)), an online service that helps investors of all levels manage investment risk, announced today that it has extended its relationship with BNP Paribas and is now available to investors in the Italian market.

“We are pleased that BNP Paribas continues to see value in providing easy to use risk management tools to their clients and have elected to expand their current licensing agreement with SmartStops,” said Chris Conway, Director of Products.

Conway adds, “The new agreement includes additional web properties in both France and Germany and adds web properties in Italy. In conjunction with this move, SmartStops has added risk analysis coverage for a select list of Italian stocks and ETFs to the existing coverage for U.S., French and German listed equities.”

## **About SmartStops:**

SmartStops.net ([www.smartstops.net](http://www.smartstops.net)) provides a simple to use solution helping investors of all levels manage investment risk. Equity risk states and SmartStop risk alert prices are calculated and published each market day for stocks and ETFs. If your equity falls and triggers its SmartStop, consider taking protective action. It's that easy.
