

# Built Named Preferred Partner of The Mortgage Collaborative

NASHVILLE, Tenn. and SAN DIEGO, Calif., Sept. 26, 2017 (SEND2PRESS NEWSWIRE) – Built was named to The Mortgage Collaborative’s Preferred Partner Network, providing solutions for digital draw management and collaboration software for the network’s lenders active in construction lending.

Send2Press® Newswire

The Mortgage Collaborative represents 115 of the nation’s mortgage lenders with aggregate annual origination volume of over \$190 billion. With Built, members of The Mortgage Collaborative will simplify construction loan administration with real-time transparency and faster access to draws. With a completely digital process, lender members will be able to use the data for proactive risk management and portfolio insights.

“Our strategic partnership with The Mortgage Collaborative is an important step in our mission to change the way the world gets built,” said Chase Gilbert, president of Built. “Lender members using Built have a streamlined experience for borrowers, builders and internal staff and the transparency to power their efficient operations while reducing risk.”

“Our mission at The Mortgage Collaborative is to empower our lender members

across the country with better financial execution, reduced costs, enhanced expertise and improved compliance,” said Rich Swerbinsky, chief operating officer for The Mortgage Collaborative. “We’re proud to bring Built to the Preferred Partner Network to give our construction lending members a distinct advantage in the growing construction loan market.”

**About The Mortgage Collaborative:**

Based in San Diego, The Mortgage Collaborative was founded in 2013 to empower mortgage lenders across the country with better financial execution, reduced costs, enhanced expertise, improved compliance, and to help its members access the dynamic and changing consumer base in America. The association is managed by its founding members: John Robbins, CMB; David Kittle, CMB; Gary Acosta, CEO of the National Association of Hispanic Real Estate Professionals (NAHREP); and Jim Park, former chair of the Asian Real Estate Association of America (AREAA). Robbins and Kittle are former chairmen of the Mortgage Bankers Association of America (MBA). For more information, visit: <http://www.mortgagecollaborative.com>.

**About Built:**

Built is the leading provider of secure, cloud-based construction lending software. Built’s collaboration platform helps lenders streamline the draw management process and revolutionizes the experience delivered to their borrowers and builders through real-time transparency and faster access to draws. With a completely digital process, lenders are also able to use the data for proactive risk management and unprecedented portfolio insights. Built serves small, regional and national lenders coast-to-coast. To find out more visit <http://www.getbuilt.com>. join Built Technologies on LinkedIn or follow Built on Twitter at @BuiltTechnology.
