

## Bushwick's own songwriter and storyteller, Dru Cutler debuts 'Familiar' music video to packed house at The Living Room in Brooklyn

BROOKLYN, N.Y., Sept. 1, 2015 (SEND2PRESS NEWSWIRE) – Brooklyn audiences love Dru Cutler's local performances and were out in force at The Living Room to celebrate the release of the "Familiar" video. The video captures the polarizing effects of our memories. It reminds us that nostalgia is both a warm embrace and a cold slap to the face. Cutler's performance is relatable and authentic and taps into a longing that we all experience.

Cutler is a storyteller and always makes his fans a part of the show, which keeps them coming back for more. He wrote "Text Message Improv" on the spot, based on an audience member's actual text thread.

He also had everyone help light the room with an illuminated guitar cable for his final number, "Let's Make the Most of Now."
