“The addition of Carl to our management team will augment our capabilities to meet our clients need and expand our geographic footprint,” noted William Hadaya, President of WMH Corporation. “Carl Gibson will strategically position us for expansion into new markets, attract new talent, and accelerate growth within the transportation and mobility sector.”

Carl is a Licensed Professional Engineer, he earned his Masters of Science in Civil Engineering from the University of California, Berkeley in 1997. Prior to joining WMH, he was Senior Project Manager at Quincy Engineering leading their Highway Department. Over the past 20 years, Carl has successfully completed numerous transportation projects for state, federal, and local

agencies throughout California.

The opening of our new office in Sacramento represents WMH's strong performance and commitment to our clients. The Sacramento office will serve as one of our innovation hubs for implementing forward-thinking designs to accommodate multi-modal applications of the future.
