MCKINNEY, Texas, March 27, 2019 (SEND2PRESS NEWSWIRE) – With over 10 years of experience, certified dog groomer Christin Boyte is bringing her family-owned mobile dog spa, Primped Pooches, to McKinney, Allen and Frisco, Texas.

Send2Press® Newswire

Primped Pooches is a family-owned luxurious mobile dog spa that services McKinney, Frisco and Allen, Texas. Owner Christin Boyte is launching the

business in the area with a personalized luxury van that has only the best in dog grooming equipment and technology, including electric grooming tables, central heat and air, and a hydrotherapy bathing system. Thanks to their mobile service, your dog will experience a full pampering and professional grooming in the comfort of your own driveway.

Plano-native Boyte has over 10 years of experience as a pet groomer. She started her career in Austin, Texas, where she got certified as a dog groomer. After a couple of years in Austin, she moved back home to Plano, Texas, where she continued bringing joy to the lives of countless dogs.

“To me, dogs are more than a man’s best friend. They commit themselves fully to their humans and expect nothing in return. I made it my mission to not let their love go unnoticed. By providing premium dog grooming services, I know I can make a difference in their lives,” said Boyte.

As a certified dog groomer and dog owner, Boyte wanted her business to focus on the safety and well-being of her four-legged customers. “Some dogs hate car rides, and others have bad separation anxiety,” she said. “I knew I needed a solution that provided a relaxing and comfortable space for them and that allowed me to give them my undivided attention. That’s how the idea of a mobile dog spa was born.”

There are many advantages to a mobile dog spa like Primped Pooches. Forget about going through the hassle of driving with your dog every six weeks to get them a haircut. Primped Pooches comes to you! The service only takes one four-legged customer at a time, which means your pup gets the groomer’s undivided attention for the duration of their appointment. With all state-of-the-art equipment inside their vans, there’s no need for kennel dryers or cages. The van also has electronic grooming tables that conveniently go up and down to accommodate senior clients.

Primped Pooches offers a comprehensive [Signature Trim package](#) that includes all the grooming basics for your dog, from haircuts to teeth brushing, nail trimming and everything in between. They also offer add-ons like relaxing mud baths, FURminator baths for shedders, dematting and flea & tick treatments. Overall, Primped Pooches offers the luxurious pampering your dog deserves.
