

Chuck Simpson of EPIC to Present on Hazard Recognition at Arklatex ASSE Chapter Meeting

SAN FRANCISCO, Calif. and BIRMINGHAM, Ala., March 12, 2018 (SEND2PRESS NEWSWIRE) – EPIC Insurance Brokers and Consultants, a retail property, casualty insurance brokerage and employee benefits consultant, announced today that Senior Risk Control Consultant Chuck Simpson will present at the Arklatex American Society of Safety Engineers (ASSE) Bi-Monthly Chapter Meeting on Thurs., March 15 at 11:30 a.m. at Shane's Seafood and BBQ in Bossier City, La.

Send2Press® Newswire

Simpson, a recognized expert in Hydrogen Sulfide safety practices and training and ASSE Hydrogen Sulfide Safety Training Committee Chairman, will present on hazard recognition. The chapter meeting will also include a chapter bylaws amendment vote, local employment opportunities and a round table discussion of recent incidents, upcoming initiative and events.

ASSE is a global association of occupational safety professionals representing more than 36,000 members worldwide. The Society is also a visible advocate for OSH professionals through proactive government affairs

at the federal and state levels, and in member-led relationships with key federal safety and health agencies. Members create safer work environments by preventing workplace fatalities, injuries and illnesses. Besides recording less lost time and lower workers' compensation costs, organizations with strong safety performance enjoy increased productivity, a better reputation and higher employee satisfaction.

About Chuck Simpson, senior risk control consultant

Chuck Simpson is a health and safety professional with more than 30 years of experience helping companies develop and implement risk management systems in a variety of industries.

Prior to joining EPIC, Simpson served as president of Work Safe International, LLC where he worked on both on- and off-shore projects in the United States, Mexico, Canada, South America, Africa, Asia and the Middle East.

Simpson has experience in the sulfur operations, pipeline, fabrication, oil and gas drilling, vessel operations and food processing industries. He is a certified safety professional (CSP) and a widely recognized expert on Contractor Safety Management, OSHA Recordkeeping and Hydrogen Sulfide Safety.

Simpson has presented lectures at the ASSE Safety Professional Development Conference and Exposition, OSHA Oil and Gas Safety Conference, the International Conference on Offshore Safety, the Gulf Coast Safety and Training Group, and the Sulphur Institute's Sulphur World Symposium in the United Arab Emirates.

Simpson is an active participant in the American Society of Safety Engineers, Gulf Coast Safety Training Group and serves as Chairman for the ANSI Z390 Hydrogen Sulfide Training Committee. He earned his bachelor's degree in international studies from the University of South Alabama.

About EPIC:
