

Cloudvirga Named One of North America's Top 100 Tech Firms by Red Herring

IRVINE, Calif., June 21, 2018 (SEND2PRESS NEWSWIRE) – Cloudvirga™, a leading provider of digital mortgage point-of-sale (POS) software whose enterprise technology is powered by the intelligent Mortgage Platform®, was honored today with Red Herring's Top 100 North America award.

The logo for Cloudvirga is displayed in a large, sans-serif font. The word "CLOUD" is in blue, "VIRGA" is in green, and the "V" is a larger, stylized green letter that overlaps the "I" and "R". The entire logo is centered within a white rectangular area that has a dark grey border.

Cloudvirga was selected from a pool of over 1,200 firms across North America and was evaluated on 20 quantitative and qualitative criteria, including its disruptive impact, financial performance and technology innovation.

"This year was rewarding beyond all expectations," said Alex Vieux, publisher and CEO of Red Herring. "There are many great companies generating innovative and disruptive products in North America. We had a difficult time narrowing the pool and selecting the finalists. We know that the 2018 crop will grow into some amazing companies that are sure to make an impact."

"It's an honor to be named one of North America's top tech firms by Red Herring, which for more than two decades has recognized emerging tech

companies that have gone on to become household names. This award validates that Cloudvirga is not only a leading innovator in mortgage technology, but also one of the continent's most disruptive tech companies," said Cloudvirga co-founder Kyle Kamrooz, who presented his company's winning strategy at the Red Herring North America Forum in Marina Del Rey earlier this week.
