

DBS Software & Services and TESSI GED Announce Renewal of their Strategic Partnership

LAKWOOD RANCH, Fla., and GRENOBLE, France, Feb. 11, 2021 (SEND2PRESS NEWSWIRE) – DBS Software & Services, a trusted provider of Document Management and Business Process Automation Solutions, and TESSI GED, an international provider of Business Process Services and Digital Content Management Solutions, today announced the renewal of their partnership agreement to support the growing DOCUBASE customer base in North America.

Send2Press® Newswire

Under the agreement, DBS will continue to be TESSI’s exclusive sales and support channel for DOCUBASE Document and Content Management products in North America (US, Canada, and Mexico).

“We are delighted to renew our long and successful partnership with TESSI GED,” said Ricardo Rengifo, President, DBS Software & Services. “With working from home and distributed teams becoming the norm, the need for robust document management solutions has never been greater, and we look forward to continuing to support DOCUBASE customers and partners achieve their

digitalization objectives.”

“TESSI is very pleased to continue our longstanding partnership with DBS,” said Pierre Charara, Director of Partnerships, TESSI. “As businesses in North America accelerate their journeys to a paperless world, the TESSI/DBS partnership will ensure the industry leading DOCUBASE products are available and fully supported to meet those needs.”
