Sze started her career as a Junior Accountant in 2004, was promoted to Assurance Manager, and is now a Partner. She is a member of the New York State Society of Certified Public Accountants and the American Institute of Certified Public Accountants. Sze has a wide variety of expertise including non-profits, real estate, manufacturing, distributions and wholesalers, art galleries, jewelry, and employee benefits plans.

"Sze was promoted because of her ability to build great relationships with the clients," says Richard Klinghoffer, Co-Managing Partner. "Her technical

accounting knowledge is exceptional, and she's a great team player and mentor to everyone in the Audit department."

DDK's rapid expansion has necessitated the creation of Sze's new position, as staff numbers need to increase to match an increasingly demanding workload. Sze's promotion is also part of DDK's firm-wide initiative to promote diversity in the workplace, as Sze is the first Asian-American and first Asian-American woman to hold the position of Partner at DDK.
