Owner Frank Romaine explains, “DJ Splash has done thousands of weddings and by expanding to a full service company we hope to broaden our base and make party planning even easier for our clients. Instead of having to run all over town, our clients can plan everything at once with us making the planning process so much easier and faster.”

The lighting division has over 20 years of lighting, entertainment, and decor experience and offers the latest in LED up-lighting, monograms, draping, DJ entertainment, pinspots, dance floor lighting, and more. The team can also design any event based on customer ideas.

Likewise, the photography division specializes in the personal touch with experienced team photographers having photographed weddings for cast members of the Real House Wives of New Jersey, as well as location weddings in Italy, Switzerland, and the Bahamas.

Romaine explains, "The music we play really livens up the party and people have a great time, and the photography captures those memories forever. This team of photographers is so creative and friendly that it's a perfect fit for our DJ team. We are so happy to have these guys on board!"

DJ Splash has also extended services to include open-air or enclosed style photo booths that include fun props, HD camera, backdrop, and custom designs. With video booth, social media, #hashtag printing true booths are state-of-the-art.

DJ Splash is located in Northern N.J. and has over 20 years of experience. DJ Joey C is also available for special events.
