Companies on this year's [Inc. 5000 list](#) are ranked according to percentage of revenue growth from 2018 to 2021. DocMagic's growth rate for this three-year period was 100 percent, earning the company the rank of 4,434 in the financial services category.

"We are honored to have achieved a growth rate that places us on Inc.'s prestigious list of rapidly growing U.S. companies for a second time," said Dominic Iannitti, president and CEO of DocMagic. "The mortgage banking industry continues to be a highly competitive environment. Making this list in back-to-back years tells us that our digital solutions are putting our

growing list of lender-clients in the most efficient, compliant and cost-effective positions possible.”

DocMagic’s award-winning **Total eClose™** platform, document generation, automated compliance and targeted digital lending solutions are credited with helping lenders successfully operate in an unprecedentedly high-volume lending landscape.

Inc. magazine stated that the companies on the 2022 Inc. 5000 list have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, and the ongoing impact of Covid-19. Notable is that the total revenue among the 5000 companies on the 2022 list was \$317.5 billion with 1,178,549 jobs added. Only 945 companies on this year’s list were repeat honorees like DocMagic.

“The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated,” says Scott Omelianuk, editor-in-chief of Inc. “Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today.”
