In addition, White Smiles Invisalign patients can also participate in a better tomorrow by returning their used aligners for industrial recycling.

"As a dentist and mother of four, I know the importance of keeping our oceans clean and safe for generations to come," says Dr. White. All new Invisalign patients for the remainder of 2019 who return their used aligners will receive a 4ocean bracelet to show their support for the clean ocean movement.

Patients looking to place their dental care in the hands of a trusted dentist who is as passionate about her craft as she is about saving our planet should look no further than White Smiles of Boca. Dr. Kerri White offers a full range of dental treatments as well as accelerated Invisalign with Propel® technology.

To schedule a consultation, call (561) 395-4948.
