

Earth Mama Top Secret – ‘A Marijuana Inspired Vodka’

CHICAGO, Ill., Nov. 12, 2014 (SEND2PRESS NEWSWIRE) – Earth Mama Vodka LLC today announced that Earth Mama™ Top Secret Vodka is coming to stores near everybody. Earth Mama Top Secret Vodka, which is “A Marijuana Inspired Vodka” is the most radical, incredible, life altering super spirit brand to ever appear. Earth Mama Top Secret is a true super-premium vodka that has the real taste and smell of – you guessed it – pot!

This is an all-natural product, there is nothing artificial in it. From the minute you open the bottle and pour, you will be amazed at the lingering taste of pot on your pallet and the smell of pot as it opens and continues to breathe.

Earth Mama™ is a throw-back to the fun loving Woodstock Generation and for all people who enjoy the music of the Rolling Stones, Beatles, Led Zeppelin, Pink Floyd and all the other great music groups of that era.

Earth Mama was created to put a smile on your face and bring you to a state of peace, love, friendship and happiness. It is about good times, good vibes and great memories. Our inspiration was the music and culture of the 60’s and 70’s, the growth of rock and roll and the celebration of a lifestyle and times gone by.

Whether you are a young person celebrating the present, honoring the past or a survivor of Woodstock, you will return to an earlier, simpler time when we reveled in our music, our drink and each other.

Earth Mama™ is a celebration life and times well lived; of who we were, who we are and where we are going.

Remember, when the clock strikes 4:20 a.m. or p.m., it is always Earth Mama™ time. Laissez les bon temps rouler. Let the good times roll!
