

# EaseUS Announces MobiSaver 3.0 Update: Powerful Recover Lost Data from iPhone During iOS7 Upgrade

NEW YORK, N.Y., Sept. 30, 2013 (SEND2PRESS NEWSWIRE) – EaseUS, a leading data recovery software developer with 9+ years experience, recently announced its newly updated iPhone data recovery software – EaseUS MobiSaver 3.0. The new version comes with a significant update aiming to help both regular users and professionals get back lost data from an iPhone, especially from a “dead” iPhone – stuck on a blank boot screen or on the Apple logo and won’t start up properly – completely and fast with a few simple clicks.

EaseUS MobiSaver from EaseUS is an easy and fast [iPhone data recovery](#) solution that comes with super recovery ability to help iOS users – including those with minimal or no recovery experience – easily recover all lost data such as contacts, SMS, call history, notes, photos, videos, calendar, reminders and safari bookmarks in all kinds of data loss incidents.

For example, data loss due to update iOS device, accidental deletion, virus attack, factory setting reset, system crash, etc. For instance, it can [recover deleted iPhone 4 SMS](#) with a few simple steps.

EaseUS MobiSaver 3.0 comes with a major update to provide perfect recovery efficiency and speed. Adding an advanced recovery mode directly from iOS devices, the new updated version works perfectly well in the process of recovering data from a “dead” iPhone. Since the fact that Apple’s newly released iOS 7 hit a high download mark and some users experience data loss because iPhone cannot be switched on properly after upgrade failure, the release of the new updated iPhone data recovery software is good news for iPhone users who urgently need to recover their lost data.

## Key Features:

- Fast and completely recover data lost due to iOS 7 upgrade failure.
- Safe and reliable. It won’t cause any damage to the lost data as well as iOS device.
- Recover lost data from iPhone/iPad/iPod touch with several simple clicks.

## Pricing and Availability:

EaseUS MobiSaver 3 is available now at EaseUS Software:
