

# EaseUS enhanced iPhone data recovery software to fully recover deleted text messages

NEW YORK CITY, N.Y., Feb. 5, 2014 (SEND2PRESS NEWSWIRE) – As the world's leading data recovery solution provider, [EaseUS Software](#) always devotes itself to provide its users efficient and easy ways to rescue their important data when data loss disaster strikes. Among its various products, EaseUS MobiSaver is the most popular one. It is a powerful data recovery software designed especially for iOS users to recover their lost data from iPhone, iPad and iPod touch.

EaseUS MobiSaver is famous for being able to [recover deleted iPhone text messages](#) in the easiest way. Users simply need to launch the software and connect iPhone to computer. The software can automatically scan the device to find the lost text messages. Finally, users need only use one click to retrieve all the deleted text messages. It is so easy-to-use that even the most casual user can operate it.

“As many iPhone users reported that they accidentally deleted their text messages and asked how can they get back their lost files on the Internet, we thought we should develop a powerful and easy-to-use software to help them recover deleted iPhone text messages in the easiest way,” said marketing manager Dirk Jan from EaseUS Software. It has been proved that EaseUS Software is a considerate software provider that really commits itself to helping users solve their problems.

Aside from recovering deleted text messages, EaseUS MobiSaver is also effective enough to recover other lost data; for example, contacts, pictures, videos, notes, call history, bookmarks, etcetera from iPhone, iPad and iPod touch. Providing two recovery modes: Recover from iOS Device and Recover from iTunes Backup. The professional [iPhone data recovery software](#) can fully get back lost iOS data regardless of whether users have an available backup file or not.
