

# EaseUS Partition Master 10.2 upgrade and 'buy one, get one free' to experience the new version

NEW YORK CITY, N.Y., Nov. 20, 2014 (SEND2PRESS NEWSWIRE) – EaseUS, one of the top disk management software developers, announced the release of [EaseUS Partition Master 10.2](#) on November 20, 2014. The latest version improves the WinPE creation process, no longer requires to download the components from the internet during the entire progress. EaseUS Partition Master 10.2 directly grasps ISO/system files to create WinPE bootable disk or Linux bootable disk. In the aspect, the new version improves the efficiency and shortens user operation time.

Besides the feature, version 10.2 fixes some bugs and optimizes its performance, making it so clients can quickly and further efficiently manage disks. EaseUS Partition Master is a full-featured and popular disk master tool; with the intuitive wizard, it offers a comprehensive solution for a person and enterprises to manage, copy, and recover disk partitions.

What's the key features of EaseUS Partition Master?

1. Partition the disk and resize the partition: extend system partition or move, copy, merge, convert, format, delete partitions.
2. Create the WinPE or Linux bootable disk to manage partitions.
3. Clone disk and migrate OS from HDD to SSD.
4. Partition Recovery Wizard: recover the lost or deleted partitions.

Thanksgiving Day is almost here. To thank the public for their long-term support, and make more people able to experience the disk tool pro version with a cheaper price, EaseUS launches a holiday "buy one, get one free" promotion on its official site: <http://www.partition-tool.com/>.

The promotion activity offers big discounts for the personal and enterprise version of EaseUS Partition Master and Todo Backup. With less money, clients can experience the powerful disk management and the all-in-one backup tool. Both of EaseUS Todo Backup and Partition Master are the ideal choices for small and medium-sized business.

Promotion page (check for all current up-to-date holiday offers):  
<http://www.partition-tool.com/landing/popup-thanksgiving.htm>.

For Personal users: buy one, get one:
