

Easeusapp Launches PhonTunes for iOS to Deliver New YouTube Music Videos Experience to Music Fans

NEW YORK, N.Y., July 30, 2014 (SEND2PRESS NEWSWIRE) – Easeusapp, the pioneer provider of mobile app and games announced that the new YouTube music videos browse and play iOS app-PhonTunes for iOS now is available worldwide. PhonTunes for iOS aims to deliver high quality YouTube Music videos streams to music fans, thus can bring new way of enjoying music videos.

PhonTunes for iOS is especially appealing to YouTube fans. With one touch, users can reach any music videos and legally enjoy YouTube online library. By searching artists, albums and genres, users can access millions of music videos. Along with depth of music catalog, quick search of favorite artist, album and music video will be an awesome experience. Additionally, it allows users to enjoy music videos as well as check rankings and styles.

With the added “social music” concept, PhonTunes for iOS challenges traditional music communication methods. It combines music video play along with incorporation of social activities and interaction with friends as well as sharing of your music taste on Facebook and Twitter easily.

“This music service app is a users experience-based digital music service that make it possible for users to reach millions of YouTube music videos including all major genres and artists worldwide,” says Keno Wang, Product Manger of PhonTunes for iOS. “We are trying to provide the simplest yet full-function app for iOS users.”

Features on PhonTunes for iOS:

- * Browse songs by genres, popularity and search videos by song, artist, album, etc.
- * Free music video player app that offers users the latest trends and millions of music videos.
- * Intelligently organize your music videos collections by “recent play” and custom playlist.
- * Batch manage playlist. Easy to add or remove music videos from playlist,
- * Share your favorite songs with your friends on Facebook and Twitter.
