

# EDI Support LLC Selects Loren Data Corp.'s ECGrid

MARINA DEL REY, Calif., Feb. 15, 2021 (SEND2PRESS NEWSWIRE) – Loren Data Corp. ([LD.com](https://www.ld.com)), a leader in B2B messaging platform technology, announced today that EDI Support LLC, an integration service provider based in Berks County, PA, has selected with Loren Data's ECGrid® Value-Added-Network to provide its customers connections to their valuable EDI trading partners.

Send2Press® Newswire

"We are pleased to welcome EDI Support LLC to our partner network of service providers," said Anthony (Tony) D'Angelo, SVP at Loren Data Corp. "Many of our partners and their customers take full advantage of our EDI backbone with advanced visibility and connectivity options such as APIs."

"EDI Support has been assisting hundreds of clients over the years with EDI networks, software, and systems integration," said Jim Gonzalez, Owner of EDI Support LLC. "Loren Data's ECGrid is a key addition to our solution set which will streamline our customers implementations and give them greater visibility and control over their data exchange environment."
