The event will bring together some of the most prominent, European and global legal leaders for three-days of meetings, showcasing a rich business program including interactive presentations, forums with prominent moderators as well as live discussions and networking opportunities.

Cosgrove and Niebuhr will highlight the international capabilities of EPIC's Financial Risk Solutions Practice, and its commitment to providing innovative risk management and insurance solutions to global law firms and other professional services organizations. EPIC is both a Globalaw strategic partner and sponsor.

About Bill Cosgrove, Managing Principal & Practice Leader, Financial Risk

Solutions Practice, EPIC:

Based in New York, Cosgrove is a managing principal and practice leader for the Financial Risk Solutions practice. He brings 30 years of insurance industry underwriting, production, marketing, client service, management and executive leadership experience to the firm. He is a specialist in the areas of directors and officers, employment practices, cyber and fiduciary liability, crime insurance, transactional risk, as well as trade and structured credit. Cosgrove and his team have created several bespoke products for EPIC clients across the product mix, incorporating market-leading policy and price metrics. He will continue to grow EPIC's business in this sector.

Prior to joining EPIC, Cosgrove spent eight years with Willis Group Holdings, where he held various leadership roles in their Financial Institutions practice, most recently as executive vice president, Financial Institutions Group.

He also served in director and practice leader positions at Frank Crystal & Company and USI Insurance Holdings, Inc. for six years. Earlier in his career, he was regional underwriting manager at ACE USA (formerly CIGNA Corporation), where he was responsible for specialty risk products throughout a sixteen-state region on the East Coast.

Cosgrove earned a Bachelor of Arts Degree in Political Science from Wittenberg University in Springfield, Ohio.
