Send2Press® Newswire

"We are honored and proud that Kathleen has been included in the Elite Women list for her tremendous achievements at EPIC," said John Hahn, CEO of EPIC. "This prestigious award not only validates her hard work, but is also recognition of her expertise and, most importantly, the incredible support and value she consistently delivers to her clients. Kathleen truly is an elite performer, who is paving the way for the next generation of female leadership in the insurance industry. "

Insurance Business America's Elite Women 2016 recognizes 144 women whose impressive personal and professional achievements have earned them a place among the industry's best. From CEOs of major corporations to innovative startup founders, these award recipients collectively demonstrate that the insurance industry is no longer just a man's world.

Felderman has built EPIC's national real estate practice to more than \$4.4 million in revenue over the past three years as well as spearheaded the organization of an industry real estate forum for clients and insurance underwriters. As managing director, Felderman is committed to providing strategic planning, competitive program design, new product design, client advocacy and more.
