Evergreen Medical Acupuncture, a locally owned and operated Colorado Business located in Evergreen, Colorado, has always offered the best of Eastern and Western Medicine to its customers, and is happy to announce the new online store for these offering, Dr. Fick's Functional Pharmacy, at <https://www.drchristinafick.com/functional-farmacy>.

With a wide variety of hand-picked, quality herbal supplements with a focus on some of the best practices of Eastern Medicine, Dr. Fick's Functional

Farmacy provides clients the ease of online information and recommendations, and the ability to order products from home. Products such as Phyto-Multiplex, a multi-vitamin + phytonutrient + trace mineral supplement, Premium Choline for brain, gut, and general health, and Nutra-Absorb for digestive support, are now ready for the online audience.

Dr. Fick's Functional Farmacy is also offering an exclusive cosmetic line, Skin for Life, and a selection of specialty luxury soaps, called My Soap Box. Skin for Life's ingredient formulas are in a nutritional nano bio-emulsion sphere that delivers vitamins, minerals, and essential lipids to protect the skin's immunity integrity, and the beautifully scented, exotic body and facial bar soaps of My Soap Box are a perfect way to provide an escape from the day's stresses, or to provide a truly unique gift for someone dear to you.

"We offer the best of Eastern and Western Medicine to our clients – The Chinese now see the benefit of modern medicine, and how it can be applied to the practice of Traditional Chinese Medicine," stated Dr. Christina Fick. "By combining the best of both worlds, we can achieve sustainable results for our clients – using Acupuncture, Specialty Needle Techniques, and our custom-built Acupuncture Clinic. These herbal supplements and new products represent some of our best recommendations, and compliment these techniques, and are now available to clients with a mouse-click."
