Brian Mac Mahon, Expert DOJO's CEO said, "This is not just a question of fairness, it's a question of common sense. America is a diverse and creatively brilliant country and that is what makes it great."

Mac Mahon encourages all other Angels, Accelerators, Venture Capitalists and influencers in the startup world to make their scorecards public and welcome a new world of opportunity. "This is their chance to invest in a way that will make their children proud."

9 out of the 12 companies are waiting for other investors to follow in Expert Dojo's footsteps and help them raise their seed round of investment. "We

really hope America will follow our movement,” Mac Mahon said.
