

# EZER App to Present at Apps World North America

LOS ANGELES, Calif., May 9, 2016 (SEND2PRESS NEWSWIRE) – EZER, the app that connects those with trucks to businesses or individuals who need their stuff picked up and delivered, will showcase at Apps World North America on May 11 and 12 in Santa Clara, Calif. The EZER booth will be located in the Startup City section of the expo at space S28.

“We’re going to be showcasing the app to potential investors,” said Glenn Todd, founder and CEO of EZER. “We’re also hoping to connect with tech companies, sales forces and marketing firms that want to help us take EZER to the next level.”

During the expo, the company will offer live demos of the app that allow users to see the entire EZER process through, from beginning to end. “They’ll be able to experience a live activation of EZER, from placing an order to pick-up, to drivers fulfilling the order and completing the job with delivery,” Todd said.

“In addition to demoing the working app, we’ll also be looping a multimedia presentation that immerses people in the EZER experience. Our goal is to demonstrate that EZER is convenient, efficient and time-saving.”

Apps World North America will be held at the Santa Clara Convention Center at 5001 Great America Pkwy, Santa Clara, CA on May 11 and 12. Free expo passes are available to the public at <https://na.apps-world.net/>.

## **About EZER:**

EZER is a free app that connects drivers with trucks to businesses or individuals who need their stuff picked up and delivered. EZER drivers are licensed, insured, pre-screened and backed by EZER’s \$1 million general liability insurance policy. EZER drivers work full time or part time using their own trucks, picking up and delivering items for businesses or individuals on demand or on a schedule. “It’s like having a truck in your back pocket – because your stuff needs a ride, too.”
