

FonePaw Announces Video Converter Ultimate: Convert, Edit, Download and Enjoy Movies Anywhere

HONG KONG, China and NEW YORK, May 5, 2015 (SEND2PRESS NEWSWIRE) – FonePaw, a leading multimedia solution expert, rolled out its new product **FonePaw Video Converter Ultimate** today. More than a simple video/audio converter, FonePaw Video Converter Ultimate is also an online video downloader, customized video creator, homemade DVD ripper and video conversion accelerator. It is now available in the [FonePaw Store](#).

Performing the basic task – converting stably and quickly – is essential to a video converter software tool and FonePaw video converter ultimate converts virtually any video and audio files to all popular video/audio formats like MOV, MP4, AVI, MKV, 3GP, FLV, MP3, WAV, M4R, and more. Applying NVIDIA® CUDA™, AMD®, etc. technologies, this program offers you 30X faster video conversion speed.

To perfectly match these hundreds of file formats, FonePaw Video Converter Ultimate organizes the options by device for you. This software allows users to make compatible video files for all of their devices, even if they don't know the terms like FLV, MP4 or VOB. The supported devices include, but are not limited to, iOS or Android-based mobile phone, BlackBerry, Nokia, Apple TV, Sony TV, PSP, Xbox and Zune.

FonePaw Video Converter Ultimate is also full-featured as a video downloader that makes online videos available at your fingertips when you're offline and away from your computer. Downloading videos clips and movies from Facebook, Yahoo!, Metacafe, Dailymotion and more are easy (subject to each site's terms of use); no one need suffer from ads and buffering any more.

Most video converter programs can perform basic tasks, but FonePaw products make it very easy to perform basic tasks with a simple interface that removes guesswork – even if you don't have much experience.

Pricing and Availability:

FonePaw Video Converter Ultimate now costs \$39.95 (originally \$59.95) and can be downloaded from FonePaw's online store with both Windows and Mac versions available. A free trial version is also provided.
