Fontana Hyundai is a premier California dealership with an extensive selection of new and used vehicles on site. The location in San Bernardino County first opened on August 27, 2021. This soft opening date marked the beginning of the dealership’s sales and positive customer experience service within the county. On September 3, 2021, they hosted a hard launch grand opening which was attended by Fontana Mayor Acquanetta Warren.

This week’s event is an exciting opportunity for the Fontana Hyundai team to thank the local community for their support over the past 12 months in making this location the town’s premier dealership. David Reynolds and his dedicated team hope to see Fontana residents turn out in big numbers on Friday, August 19th, 2022 for this important milestone occasion.
