“The wholesale channel is making a comeback, and FormFree will be there to support independent mortgage brokers with our three-in-one Passport Report that analyzes income, asset and employment data to make borrower qualification easier, more efficient and more accurate,” said FormFree Founder and CEO Brent Chandler.

FormFree announced in September the launch of its [new platform, NextGen](#), which increases the accuracy and simplicity with which lenders determine their borrowers’ ability to pay loans. With features such as a fully

customizable API-enabled environment, advanced income and employment analytics and PDF bank statements, FormFree delivered a tailored experience for the entire wholesale channel.

Early last year, FormFree announced that Asset Reports generated by its AccountChek® automated asset verification service meet all underwriting guidelines established by the U.S. Department of Veterans Affairs (VA). [This landmark achievement](#) ushered in a faster, easier way for VA borrowers to obtain a mortgage and continues to allow VA lenders and their investors to enjoy the benefits of automated asset verification with confidence.

Last year also brought the announcement that FormFree has been named a designated third-party service provider for automated income and asset verification as part of Freddie Mac's Loan Advisor platform. [FormFree's partnership with Freddie Mac](#) exponentially increased the number of borrowers able to reap the benefits of a faster, easier mortgage experience while also providing Freddie Mac-approved seller/servicers with highly valuable rep and warrant relief.

Additional partnerships announced during 2018 include [BeSmartee](#), [Black Knight Loan Sphere Exchange Digital](#), [LendingQB](#) and [LoanBeam](#).

Founder and CEO Brent Chandler was named to Mortgage Professional America's [Hot 100](#) list. Louann Bernstone, head of risk and compliance, received HousingWire's [2018 HW Insiders Award™](#).
