The Tech100 program celebrates the technology companies whose solutions have been most impactful in helping mortgage lenders and real estate professionals solve business challenges. The program becomes more competitive each year as the number of technology providers in the housing space continues to grow.

“The winners of the 2020 HousingWire Tech100 Mortgage and Real Estate awards are truly the most impactful and innovative companies in housing,” said HousingWire CEO Clayton Collins. “Not only do these companies empower their clients and users, they are supporting a more efficient, accessible and sustainable housing economy.”

“This year’s Tech100 winners ... create new ways to approach the housing process, improving efficiencies, cutting costs and creating a new experience for all parties involved,” added HousingWire Associate Magazine Editor Kelsey Ramírez.

“FormFree’s ambition to transform the way lenders and borrowers come to understand one another knows no bounds,” said FormFree Founder and CEO Brent Chandler. “This spirit of innovation drives everything we do, and we are honored that HousingWire has continued to recognize us as one of the industry’s leading innovators year after year.”
