The Heroes Golf Classic invites companies and individuals to raise funds for the American Red Cross of Northeast Georgia and honor local heroes who have held the front lines in the battle against COVID-19 by registering to play or sponsoring the event. Participants may register in teams of four or as individuals who will be matched with other players. Corporate sponsorships start at just \$1,000, and all sponsorships include registration for a foursome.

Each golfer will have the opportunity to play alongside the event's special guest, professional golfer Matt NeSmith, who will be stationed at a hole on the Château course. The former University of South Carolina golfer made his debut on the PGA Tour in 2019.

"This is a chance for everyone to have a great time while showing support for the many local heroes who have kept our communities safe and healthy during these challenging times," said Marlon Trone, executive director of the American Red Cross of Northeast Georgia. "Our gratitude for hometown heroes includes the dedicated volunteers who make our Red Cross mission possible every day."

Château Élan is a 3,500-acre luxury destination resort home to one of the most awarded wineries on the east coast. Designed by renowned golf course architect Denis Griffiths, the estate's 63 holes of championship golf span the scenic north Georgia foothills just 40 minutes outside of Atlanta. The property boasts a 16th-century-French-inspired hotel, 10 bars and restaurants, a 35,000-square-foot European spa and a premier equestrian facility.

"Giving back has always been a core value at FormFree, and our hope is that the Heroes Golf Classic will bring out business and community partners to support a worthy cause," said FormFree Founder and CEO Brent Chandler.

In addition to aiding those impacted by disasters, the American Red Cross supplies 40 percent of the nation's blood products, supports military members, veterans and their families and provides international humanitarian aid. The American Red Cross of Northeast Georgia will use funds raised at the Heroes Golf Classic to help maintain the United States' critical blood product supply and support disaster relief operations, services that have become especially critical during the COVID-19 health pandemic.
