

# Garden City Plumbing and Heating Adds Drain Service Capabilities

MISSOULA, Mont., Nov. 18, 2019 (SEND2PRESS NEWSWIRE) – Garden City Plumbing & Heating today announces their entrance into the drain services business. The addition of a drain service department enables Garden City to expand to their current list of available plumbing services. For years, Garden City referred drain related calls to other local companies. Now, they have the ability to take care of and handle all drain related issues.

Send2Press® Newswire

“From the beginning, our focus has always been to be there when our customers need us. No matter the issue related to plumbing or HVAC, we want to be able to address the issue quickly, and fix it right the first time,” says Bill Schaff, President at Garden City Plumbing & Heating. “Adding drain services adds to our abilities to do just that.”

Features and benefits of Garden City drain services include:

- Capabilities to unclog any size drain
- Availability of hydro-jetting equipment to thoroughly clean any size drain
- 24-hour drain services available for Garden City maintenance customers

Drain opening and drain cleaning services will be available starting November 15, 2019. For more information on drain services, visit <https://gardencityplumbing.com>.
