

# Geminid Press Announces New Release by Acclaimed Author Daniel P. Douglas of the Science Fiction Adventure, 'The Outworlds: War Torrent'

ALBUQUERQUE, N.M., June 23, 2015 (SEND2PRESS NEWSWIRE) – Geminid Press, LLC, an independent book publisher in Albuquerque, N.M., announces the release of “The Outworlds: War Torrent” (ISBN: 9780692450048 eISBN: 9780990737193), a new science fiction adventure by acclaimed author Daniel P. Douglas that is the first in a series. In “War Torrent,” ancient reptilian aliens clash in a war that is the start of a new interstellar crusade orchestrated by evil ethereal entities whose intent is radical genetic purification of the galaxy, and Earth’s Stone Age humans are their next target.

“War Torrent” is a novella, and the first book in “The Outworlds,” a series of science fiction adventures set in the early twenty-fourth century at the fringe of human civilization. Although “War Torrent” steps outside that timeline, its prequel events, characters, and technology will have a major influence on the continuing storyline in “The Outworlds.”

The science fiction book draws on the mystery of ancient aliens, in particular, reptilian humanoids, and related conspiracy theories about their alleged, past involvement with humans and possible engineering of our genes. It’s also a military science fiction story with metaphysical and spiritual components. At times an outer space aliens conspiracy thriller, the bottom line is that “War Torrent” is a good versus evil story featuring unlikely heroes on a collision course with destiny.

Named a Foreword Reviews’ 2014 IndieFab Book-of-the-Year Awards Science Fiction Finalist, Daniel P. Douglas is also listed by BestThrillers.com as one of 2015’s Best New Mystery and Thriller Genre Writers. Douglas garnered these accolades in conjunction with his debut novel, “Truth Insurrected: The Saint Mary Project.” In it, readers plunge into a storyline featuring former FBI agent William Harrison, who finds himself hot on the trail of a major extraterrestrial cover-up.

## **About Geminid Press, LLC:**

Geminid Press, LLC, is an independent book publisher established in Albuquerque, New Mexico in August 2014. Inspiration for the company’s name originates with the Geminid meteor shower, which is visible in December, radiates from the Gemini Constellation, and intensifies every year. The owners of Geminid Press also happen to be identical twins born under the sign of Gemini. The company’s mission is to publish quality fiction and non-fiction books of up and coming writers, and has already published science

fiction and urban fantasy books, as well as a children's book.

**About Daniel P. Douglas:**

Daniel P. Douglas is a U.S. Army veteran who has also served as a senior analyst in the U.S. intelligence community. A long-term civil servant, with degrees in Political Science and Russian Area Studies, Douglas has also worked in the museum profession. His travels have taken him throughout the United States, Mexico, Europe, the Middle East, and the Caribbean.

As an author, Douglas creates epic tales – of the past, present, and future – with the most unlikely of heroes, and calls upon them to join extraordinary and mysterious struggles. His characters' sometimes-reluctant choices and actions put them on a collision course with destiny and reveal unimaginable truths. Douglas is a multi-genre author who turns ordinary people into extraordinary heroes.
