

# Global DMS Adds Experienced COO to Management Team

LANSDALE, Pa., Dec. 7, 2012 (SEND2PRESS NEWSWIRE) – Global DMS, the leading provider of Web-based compliant valuation management software, announced that Patricia Rauch has joined the company in the position of chief operating officer.

In this newly created role, Patricia will be responsible for overseeing the daily operations and management of the entire company, including system development, client services, finance, sales and marketing. She is focused on developing and implementing sound organizational strategies along with policies and procedures that facilitate operational excellence and an enhanced customer experience for Global DMS' solution set and services.

Patricia has over 25 years of domestic and international business and leadership experience in operations and financial management across a variety of disparate industries. She has worked for billion dollar enterprises as well as start up ventures.

Prior to joining Global DMS, Patricia had the role of president at Sandvik Innovations, where she managed all business aspects of a global product development company within the publishing industry. Before that, she served as the VP and GM for The Franklin Mint's retail division and launched a new wholesale business that included placement of the company's products in over 1,500 independent retailers in the U.S. Patricia also spent 12 years in various financial roles, more specifically as a financial officer for a Fortune 300 global manufacturing company.

"We have experienced significant growth over the past few years and as such, we have put the right building blocks in place along the way to manage our expansion at a controlled rate," said Vladimir Bien-Aime, CEO of Global DMS. "Patricia has a roll your sleeves up, hands on approach to operations management with a proven track record of successfully overseeing all functional areas of organizations. She will unequivocally be instrumental in helping take our business to the next level as we continue to grow."

"The strategic vision of Global DMS aligns well with my core business competencies," said Patricia Rauch. "I am excited and privileged to be part of the future growth of this dynamic organization."

Patricia holds an MBA in Financial Management and a BBA in Accounting from Pace University.

## **About Global DMS:**

Founded in 1999 and headquartered in Lansdale, Pennsylvania, Global DMS is the mortgage industry's preeminent provider of commercial and residential real estate valuation solutions catering to lenders, servicers, AMCs, appraisers and other real estate entities. The company's solution set is cost effectively delivered on a software-as-service (SaaS) transactional basis

that ensures compliance adherence, reduces costs, increases efficiencies and expedites the entire real estate appraisal process. Notable is that Global DMS has retained 100 percent of its lender clients since its inception. The company's solutions include its eTrac management platform, eTrac enterprise platform, WebForms, Global Kinex, AVMs and the MISMO Appraisal Review System (MARS). For more information, visit the company's web site at <http://www.globaldms.com/> or call (877) 866-2747.
