

Global Online Media Magazine Provides Readers with a Piece of Paradise

CHARLOTTE, N.C., March 3, 2015 (SEND2PRESS NEWSWIRE) – Everyone wants their own little piece of paradise and that's exactly what a new global, online media magazine – Lucky Paradise Casinos – delivers. Is it about casinos? No, not really. It's about feeling good and being lucky.

The world's first global media magazine, Lucky Paradise Casinos, is filled with content designed to showcase pure entertainment. Articles run the gamut from fashion and travel to gourmet food and celebrity chatter. So, where do casinos come in? Readers will have access to information about some of the world's best casino operators around the world, but that's not all. It's just fun to read about these amazing places all in one spot.

"Think of it as one-stop-shopping for pure entertainment," Michael Brooks, CEO of Commercial Capital Investment the company which owns the magazine, but not the operators, says. "We never write about anything heavy. If you want to read about politics or religion, we're not for you. But, if you want to escape reality and get a little piece of entertainment paradise, you'll find what you're looking for with Lucky Paradise Casinos."

For example, some recent articles include: Top 10 Million Dollar Yachts; Visiting the Best Single Bars in Atlanta; Celebrities in Open Relationships; Paris Fashion for the Spring; and Women Who Influenced New York's Social Scene.

"Our lives are busy and we're all pulled in many directions. Sometimes we neglect to take time for ourselves. That's where Lucky Paradise Casinos comes in. It's that vehicle for pure entertainment. Think of it like taking a long hot bubble bath," Brooks says.

Beautifully designed and reader-friendly, visitors to Lucky Paradise Casinos can escape for a few or many minutes into their own little piece of entertainment paradise. Photos of some of the world's most beautiful models as well as eye-catching vacation spots are sure to keep readers coming back for more.

"We must be doing something right because the magazine averages about 23,000 visitors per day," Brooks says. "Our server can handle up to 3 million visitors at one time, so we're poised for growth."
