

# GracePointe Church Enhances Its Brand with a New Number from RingBoost

PLEASANTVILLE, N.Y., March 31, 2017 (SEND2PRESS NEWSWIRE) – GracePointe Church of the Nazarene in central Florida received a unique offering this month, as the team at RingBoost agreed to donate a custom phone number to the Lake Mary-based organization.

Send2Press® Newswire

GracePointe Church of the Nazarene contacted the company to request a premium local number and came away with (321) 999-1234 at no cost.

Paul Faust, SVP of Business Development at RingBoost, explains the decision to donate as part of his company's expanding Give Back program: "We are always ready to help not-for-profit organizations reach more people, so hearing from Pastor Grinnell at GracePointe Church was an exciting opportunity. He has a clear vision for the church's brand and donating a memorable number from our database moves it a major step forwards."

The project that Faust refers to is a significant rebranding effort, encompassing custom phone numbers, a website move to the .church domain, and a new place of worship to be constructed in Lake Mary, Fla.

With so many initiatives in the pipeline, Worship Pastor Christopher Grinnell was understandably excited to secure a number that his congregation will always remember, saying: "We are about to begin a capital stewardship fund

raising campaign as we work towards the start of construction on our new facility in Lake Mary. With these projects in motion, everyone agreed we would LOVE to have a catchy, simple phone number to share!”

With its unforgettable new number hooked up in no time, GracePointe is all set to take the church’s message to an increasingly large audience in the weeks and months to come.
