

Griffin Pest Solutions Named A Top 100 Company

KALAMAZOO, Mich., June 5, 2015 (SEND2PRESS NEWSWIRE) – Kalamazoo-based Griffin Pest Solutions (www.griffinpest.com) ranked 79th on the 2015 Pest Control Technology magazine Top 100 List, an annual compilation of the leading pest management companies in the United States. The list was included in the magazine's May issue (www.pctonline.com).

Griffin, a family-owned company, is part of a nationwide industry that generated an estimated \$7.4 billion in revenue in 2014 – a 3.5 percent increase from the previous year – and that has experienced consistent growth over the last five years.

The company provides vital pest management services to both residential and commercial clients in Michigan, northern Indiana and northwest Ohio. It operates service centers in Kalamazoo, Dexter, Livonia and Wyoming, Michigan.

Griffin's residential services protect customers' homes from potentially destructive pests including carpenter ants, and annoying and potentially threatening pests including ants, stinging insects, rodents, cockroaches and bed bugs.

The company's commercial services safeguard leading food processing, healthcare, hospitality, education, agriculture, education and multi-family housing facilities from an array of pests including rodents, cockroaches, nuisance birds, stored product pests, and flies.

"Being named to the PCT Top 100 List is a testament to the passionate dedication of our team and validates the business model we have followed of delivering quality, dependable and innovative service to commercial and residential clients," says Pam Blauvelt, vice president of operations for Griffin Pest Solutions.
