

# Hearing Professionals Opens New Celina, Ohio Location

CELINA, Ohio, Aug. 4, 2015 (SEND2PRESS NEWSWIRE) – Hearing Professionals, a leading area provider of hearing aids, today announced that they are opening a new office at 1939 Havemann Rd. Celina, OH to better meet the needs of those seeking out assistance with their hearing problems.

Plans for the move from their prior location were initiated from a need to expand examination room sizes as well as provide room for more employees. The new office will be the third cutting edge Hearing Professional office in the Miami Valley. Their other offices are located to the south, in Sidney, Ohio and Troy, Ohio.

“The opening of Hearing Professionals new Celina office is an important step towards realizing our goals of better hearing health for our patients,” said Dr. Darshan Vyas M.D. F.A.C.S. “The new office will be the first of many important changes for the company in 2015.”

The new office is expected to provide hearing evaluation services to residents of Celina, Wapakoneta, Van Wert and Decatur, Ohio.

The hearing aid industry has recently undergone significant changes what with the advances in miniaturization, micro processing, and frequency shaping. Hearing Professionals has been involved in fitting hearing aids since 2010, and is a premier provider of industry leading hearing aid brands like Starkey, Phonak and Oticon.

## **About Hearing Professionals:**

Hearing Professionals has provided services to the residents of the Upper Miami Valley and surrounding areas since 2004. Their trained and licensed hearing instrument specialists work with you to design the best possible solution for your individual hearing loss.
