HitPaw Screen Recorder V2.0 Offers Easy Recording, Fast Sharing

NEW YORK, N.Y., April 19, 2022 (SEND2PRESS NEWSWIRE) — Online classes and live streaming have become a part of people's life since it is more convenient to gain knowledge and expand people's horizons via online classes and live streams. In order to help educators, students, gamers, streamers, and other professionals make the attractive online classes, live streaming, HitPaw, as the pioneer in the video industry, adds live streaming and the virtual camera in HitPaw Screen Recorder V2.0 update.

Let's dive into the amazing updated features!

1. Live Streaming
Live streaming is aiming to help gamers, educators, and streamers to have an efficient way to up streaming on 1000+ platforms like YouTube Live, Twitch, and Facebook Live. Moreover, HitPaw Screen Recorder provides lots of overlays for users to show the different styles. For gamers, you can select a cyberpunk overlay to show how hardcore you are. For educators, you can select a formal overlay to show how professional you are.

2. Virtual Camera

The virtual camera, as a powerful feature, can make online meetings, online classes, and live streaming more possible. Users can add the prerecorded videos to meetings and classes in case they have an emergency to handle. Furthermore, HitPaw Screen Recorder allows users to use their mobile devices like the camera, which provides convenience for people whose computer does not have a built-in camera.

3. Interesting Elements

There are tons of elements in the studio, including stickers, templates, and backgrounds. These elements are necessary can improve the interaction no matter in the live streaming or recorded video. Normally, streamers and influencers interact with the audience via bullet chat and comments, but stickers and backgrounds can be a better medium to interact with the audience.

4. Optimized Other Items

Apart from the features mentioned above, HitPaw Screen Recorder also adds and optimizes other items:

- Editing functions, including cut, crop, resize and rotate.
- Record history and screenshot history.
- Real-time sound display.

Compatibility and Price:

HitPaw Screen Recorder is now compatible with Windows 11/10/8/7(64-bit OS) and Mac OS. Its pricing starts from $9.99 USD for a month plan.
