

# HousingWire Honors ARMCO as a 2017 HW TECH100 Mortgage Technology Vendor for the Third Straight Year

POMPANO BEACH, Fla., March 15, 2017 (SEND2PRESS NEWSWIRE) – ACES Risk Management ([ARMCO](#)), the leading provider of financial quality control and compliance software, announced that HousingWire has again recognized ARMCO as a top 100 mortgage technology provider. The annual HW TECH100™ is designed to recognize the most innovative technology firms in the U.S. housing economy.

Send2Press® Newswire

HousingWire states that the mortgage industry is leveraging technology like never before, streamlining processes across the spectrum of lending, servicing, investing and real estate. The combination of regulatory pressure and consumer expectations have set a high standard for efficiency and transparency, requiring a significant investment of time, money and talent to hit the right notes for both.

“The companies that make up the 2017 HW TECH100™ are the cream of the crop of the entire housing industry, from real estate to mortgage lending, servicing, and investment,” said HousingWire Senior Financial Reporter Ben Lane. “These companies aren’t just taking part in the housing industry’s technological revolution; they’re leading it.”

ARMCO is well-known for its award-winning [ACES Audit Technology™](#), which is

the leading web-based quality control software solution for the mortgage industry. The company also recently started assembling and releasing its proprietary [Mortgage QC Industry Trends Report](#) on a quarterly basis. The report represents a detailed analysis on loan files and defects trending as well as valuable data that is captured in the ACES Analytics benchmarking system.

“We’re very pleased to again be recognized by HousingWire as a technology leader in the mortgage industry,” said Avi Naider, chairman and chief executive officer of ARMCO. “We’re constantly innovating and enhancing our solution set to deliver the most value for our clients and this award reflects our ongoing efforts.”

“The companies in the 2017 HW TECH100 cover the entire mortgage finance spectrum. There’s hardly a corner of our industry that hasn’t been transformed in some way, either by fintech startups focusing on a specific software need or legacy companies evolving to compete in the new environment,” said HousingWire Magazine Editor Sarah Wheeler. “Now more than ever, these companies are delivering the innovation this industry needs to do its most important job: supporting the American Dream.”

ARMCO serves multiple markets in the mortgage space that include origination, servicing, capital markets and outsourcers.
