

# IDS Promotes Mark Mackey to CEO of Mortgage Doc Prep Firm

SALT LAKE CITY, Utah, Feb. 10, 2015 (SEND2PRESS NEWSWIRE) – [Mortgage document preparation](#) vendor International Document Services, Inc. (IDS), announced it has promoted former Executive Vice President Mark Mackey to chief executive officer.

“IDS is a growing company in a contracting industry, and I see my role as ensuring that our growth continues regardless of market conditions,” Mackey said. “IDS is prepared for TRID and other changes coming to the industry, and that will give us great added value for our customers. I’m excited about what we’ve done and where we’re going.”

Mackey began his career with IDS as a member of the sales team in Spring 1999. He is the first CEO in the company’s history. Prior to Mackey’s promotion, IDS President Curt Doman was the highest-ranking executive with the company. Doman said he has no plans to leave the company, which he also owns, and that the promotion was simply a reflection of the role Mackey was already serving within IDS.

“Mark was already filling the CEO role without the title, and he has been doing a great job running the company day-to-day. I’m just finally making it official,” Doman said. “People who are familiar with IDS know Mark has been running the company in this capacity so we don’t anticipate anything will change for our customers with the promotion.”

“Mark has a great vision for where to lead the company,” Doman added. “He’s an extremely hard worker, very loyal, and I think he’s a great leader that is taking IDS in the right direction.”
