Under the contract, iFOS will provide NIFA with audit advisory and assistance services to comply with 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

“We are pleased to provide critical support to the NIFA at a time when financial assistance programs are becoming increasingly scrutinized by external organizations and the public,” said T. Smith, President & CEO.

Smith added, “Our firm provides a unique advantage to our customers through the use of data analytics tools and structured process controls for clear accountability and simplified reporting to both agencies and grantees in their regulatory compliance efforts.”
