What you'll get from this holiday:

AnyTrans – Manages your holiday photos, videos and more with ease:

No matter if you are an iPhone user or an Android user, when you got your new iPhone during this holiday, AnyTrans will easily move all your data – like [messages](#), loved photos, videos, and more – to your new iPhone 8/X. Besides full transfer, you can also select [what you need to your new iPhone](#), as you wish.

AnyTrans is also the best backup manager to save your valued messages, Christmas photos, and fabulous New Year's firework shows, etc., to computer for future use. You can 1-click [back up almost all iOS data](#), even back up them automatically via Wi-Fi, which is as simple as well as a time-saving process. Surprisingly, you are allowed to preview and manage all your data from iTunes/iCloud backups.

PhoneClean – Ensures you a cleaner, faster and safer iPhone this holiday:

Your iPhone may run slowly after using it for a long time, but don't worry: equipped with 5 clean modes, PhoneClean is smart enough to clean useless files and caches securely – you'll get more free iPhone storage space and a faster than ever iPhone. Better still, it provides you the highest standard in privacy, security and keeps everything sensitive getting deleted permanently and completely.
