*See what AnyTrans Can Do for You this Thanksgiving:*

#### **Back Up Your Memories in A Smarter Way:**

With the new Air Backup feature of AnyTrans, now you can back up all your holiday memories automatically, wirelessly, and securely, such as your photos with family, greeting messages from best friends, etc. You'll always find a way back for your precious data even if it gets lost one day.

#### **Manage Your Photos with Ease:**

Photos mean a lot to everyone, especially those photos taken during the holidays. Now, AnyTrans enables you to organize and manage them the way you like – you'll quickly find what you want from hundreds or even thousands of photos and export whatever you like to your computer.

#### **Master Your Favorite Music in Full-way:**

Special holidays deserve special music. With it, you can import/export whatever you favor to your iPhone or iPad during this holiday, no matter if it's from your iTunes Library, your computer – even from your Android device – you are always free to enjoy all your favorites on the go. You are the master to get what you want.

#### **Enjoy Favorite Videos and Movies on the Go:**

It's fantastic to enjoy movies together with family or best friends during this holiday. Now, with the Media Downloader feature of AnyTrans, you can download your favorite videos or music to your computer, or even directly to your iPhone iPad – what you do is just to enjoy yourself, no matter where you go or whatever you do.
