

Industry Veteran Joins Mortgage Technology Vendor, LBA Ware

MACON, Ga., June 1, 2017 (SEND2PRESS NEWSWIRE) – LBA Ware™, a leading provider of [automated compensation software](#) and [systems integration solutions](#) for mortgage lending and retail banking, announced it has hired Finn Klemann as director of business development. In this role, Klemann will bring his more than 20 years of business development and sales experience in forging new relationships for LBA Ware in the financial services industry, with a specific focus on targeting growth in the mortgage industry.

Send2Press® Newswire

“With the mortgage industry on the cusp of true digital transformation, now is the time for LBA Ware to expand its footprint in order to deliver innovation to the industry’s back-office processes, like LO compensation,” said Lori Brewer, founder of LBA Ware. “Finn’s deep background in mortgage technology, coupled with his extensive experience in financial services business development, make him the ideal candidate to lead LBA Ware’s next phase of growth.”

Prior to joining LBA Ware, Klemann was vice president of sales for the Northeast territory at LoanLogics, a mortgage technology and outsourced services provider. Klemann has also held several high-level sales positions with financial services companies such as Interthinx (now First American Mortgage Services), Ascendant Capital Partners, Haverford Financial Services, Envestnet and Lincoln Financial Distributors.

“In the decade since I first entered this space, I’ve observed the mortgage industry’s gradual transition into the digital world, and with solutions like CompenSafe and LOS Talker, LBA Ware is well positioned to deliver efficiency and process optimization to the back-office side of the mortgage transaction,” Klemann said. “As Director of Business Development, I look forward to uncovering new opportunities for growth for LBA Ware and nurturing its existing relationships.”

About LBA Ware:

Founded in 2008 and headquartered in Macon, Ga., LBA Ware is a leading provider of mortgage and retail banking technology solutions. With over 25 lending-oriented applications still in operation today, LBA Ware provides cutting edge solutions that leverage automation and system integration to ease the pain points of repetitive manual workflow, empowering lenders to maximize productivity and operational efficiency.
